thereby securing faithful portraits and furnishing an
unique and exquisite style of ornamentation of articles
in domestic use.

In order to furnish facilities for the gratification of
the popular taste, and to meet the wants of those patrons of the Fine Arts desirous of having Portraits on
Porcelain, the Company have imported from Europe a
collection of superior porcelain goods, manufactured to
their own order, which they sell at cost prices.

As the American Company are owners of the patent
right, and consequently the only persons authorized to
use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, who are
unable to visit personally the Atelier and Galleries in
New York: Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in
New York, accompanied by give Dotlars, will receive
in return by express, free of other charge, a richly ornamented Breakfast Cup and saucer, with the portrait
transferred thereon.

By transmitting a daguerreotype and TEN DOLLARS,
they will secure in like manner, a handsome French
Vase or Toilet Article, with the portrait reproduced by
the patented process.

By sending a pair of daguerreotypes and TIPTES
DOLLARS, they will receive in return a pair of rich
Sevres Vases, with the portraits executed equal to
minature paintings; and, in like manner, portraits cau
be reproduced on porcelain wares or Vases of every
quality of finish, ranging in price from Twenty to One
Hundred dollars the pair.
